NB On three or four weekends in September and October there will be various "adventures" planned from which students will have the opportunity to choose; for example:

- hikes over alpine passes
- overnights to high alpine huts
- mountain ascents (snow and rock)
- bicycle trips (day and overnight, mountain and city biking)
- ice and rock climbing
- visits to Swiss cities (day and overnight)
- canyoning/gorging
- paragliding
- high ropes course
